The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the An Achievable Dream Newport News' Supplemental Recovery Supports project in fiscal year 2023.

The entity to receive funding for this project is An Achievable Dream, Inc., located at 10858 Warwick Blvd, Suite A, Newport News, VA 23601.

The funding will be used to augment existing funding so An Achievable Dream's regular programming can remain at full strength as An Achievable Dream works to identify gaps in educational, social, and emotional development as a result of distance learning during the pandemic and provide additional highly targeted supports and services to ensure students are on track. Specifically, these funds would go towards hiring additional staff that specialize in student enrichment and support, additional hands-on learning and social skills development, extended hours and learning supports, and an expanded suite of emergency wrap around supports for students and families, many of whom were disproportionately financially impacted by the pandemic.

I certify that neither I nor my immediate family has any financial interest in this project.

Very truly yours,

A handwritten signature in blue ink that reads "Bobby Scott".
